

Mohamed Abu el haija

lorem ipsum

Objective

Highly motivated and detail-oriented professional with a background in nursing, seeking to transition into a full-stack developer role. Equipped with a strong foundation in problem-solving, critical thinking, and teamwork from my nursing experience, I am eager to apply my passion for technology and programming to create innovative and user-friendly web applications. Seeking an opportunity to further develop my technical skills and contribute to a dynamic and collaborative software development team.
